After graduating from the Secret Seminary, Hannah and Simon are ready to return to their homeland. Their training has equipped them to carry the gospel to a country ravaged by darkness and despair. If necessary, they re even prepared to face the North Korean labor camps, but the hardest part of their mission isn t the hunger, cold, and incessant danger. The hardest part is cutting off contact with one another. In this world of spies, secret police, and informants, Simon and Hannah learn that staying together won t just compromise their ministry. It could cost them both their lives. Two undercover missionaries delivering a single message of hope. Two Christians willing to die for the sake of the Good News. One love - more powerful than terror, more beautiful than life, and more dangerous than either of them could possibly imagine. A love so strong, nothing but the grave could overcome it. Torn Asunder is part of the Whispers of Refuge series branched off from Alana Terry s award-winning debut, The Beloved Daughter. These suspense novels tell the stories of contemporary North Koreans and can be read together or separately from Alana s other books.
