THERE IS NO GOVERNMENT SYSTEM EVER TO EXIST MORE SELF-DESTRUCTIVE THAN A WELFARE STATE! Like a junkie on the streets trying to get a fix there is nothing a welfare state wont sell off to support its seized social and family provider role. As long as the USA government stays in its social and family provider role it will be impossible for the USA to stop reckless spending or survive. Right now, the liberals doesnt have the survival instinct or the wisdom to see a real need to stop spending. They are living in the moment and cant see any real danger in reckless spending, and you couple that with an economically ignorant main stream press and general public, all I know to do is pray. Repealing the minimum wage law will give the social and family provider role back to the people where it belongs and has always been until the New deal seized it in 1938. God I ask in your name, Save the USA. Time is a winding down, I dont know how much we have left, but, I know beyond a shadow of doubt that a total economic collapse is near unless drastic changes are made. When I look at the future I think the republicans will soon get the power to have their shot at this health care thing. But, I have news for them too, just like the Dems they think government can keep and hold on to its social and family provider role, wrong. I believe unless the republicans and conservatives set about repealing the minimum wage law they will be seen as phony liberals and quickly replaced. But, of course...
