SpaceX promise to revolutionise space exploration and provide everyone the means to travel to new worlds. This is their story, all they have accomplished so far as they inexorably open the high frontier. How they survived perilous straights to emerge as the most popular, innovative and influential launch company in the world. SpaceX are destined to colonise Mars and developing the technology to make this possible right now. Their Mars Colonial Transporter possesses some truly sublime solutions to the challenges of conquering Mars. They are literally moving Heaven and Earth to help us evolve into a space faring civilisation.If you crave space exploration or hunger for the future - the SpaceX story will be your delight. Their courage will inspire you. Exhaustively researched yet simple to read account of SpaceXs past, present and future. Its written very much like a story and managed to answer a surprising number of my questions including some I hadnt even thought of! Worth reading just for all the Mars Colonial Transporter info. Nicely balances present day facts with projections of SpaceX progress on their mission to colonise Mars. Well written with decent graphics, definitely recommend. - UK Review.
