WORD The Universal Spirit,U.S. Paperback. Book Condition: new. BRAND NEW, This is My Word - A and Omega: The Gospel of Jesus: The Christ-Revelation, Which True Christians the World Over Have Come to Know, Did you ever wonder about the "spirit of truth who would guide us into all truth"? This was a promise made by Jesus of Nazareth over 2000 years ago. Stated in the context of that time, the people had very little knowledge, but today, much more can be understood. Building on a little-known apocryphal gospel, the Spirit of Christ, Himself, tells about His life, thinking and work. A promising and shaking message in a fascinating and clear prophetic language! Be captivated by the logic and clarity, for here, you do not have to accept "the mysteries of God." This book gives us an overall picture of what was, what is - and what will be. A truly compelling read! God is clear. God is true. God is the Father of us all. God is the life that knows no end.
