# INDIA'S TRADE WITH JAPAN CONSTRAINTS AND OPPORTUNITIES

1988. Hardcover. Book Condition: New. 276 Dr. Abraham Joseph studies the constraints and opportunities for India to diversify exports to Japan between the First and Sixth Plan periods. He explains that a high concentration of non-manufactured exports to Japan is not a desirable element as it causes instability in export earnings in the short run, while the rate of return in the long run would decline. Examining the possibility for India to switch over to a new trading framework with...

*This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.*
