Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Training and nutritional information for the most neglected group of bodybuilders: drug-free hard gainers. In this report, you ll learn if you re a hard gainer and why you re a hard gainer if you are, and why you are having trouble gaining muscle and strength. Better than that, we ll show you how you can begin to gain muscle and strength, and keep on gaining. This report is for the natural (drug-free) hard gainer-especially. You ll find information on such topics of importance for the hard gainer as workouts, rest and recovery, how to plan your workouts, and a critical discussion of nutrition, eating and metabolism for the hard gainer. Workout routines are also covered in this report. If you are working out like everybody else and not gaining, we ll show you workouts that will work for you. If you are one of the extreme hard gainers, we can show you how you, too, can make gains. While conventional workouts don t often work for hard gainers, often hard gainers need to resort to more limited...
