The other aspect of efficiency is in our own internal operations, our business management practices. We have been focusing on im-proving them and the result is, as has been mentioned before, that we are no longer on the high-risk list from GAO and we have had several clean audit opinions. We would be unable to sustain those clean audit opinions if we did not make some significant changes in how we are organized. Therefore, we have opened up a service center for financial man-agement in Albuquerque, New Mexico, and we are in the process of moving people to that service center. We are going to be doing the same kind of efforts with information technology and we are also beginning the process of moving people to Albuquerque in our human resources area. We expect to reduce about 1, 300 full-time equivalents, FTEs, when we complete all of our reorganization for...
