Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

FRUITS FLOWERS. A COLORING BOOK: ILLUSTRATIONS BY M.C. IGLESIAS

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. M C Iglesias (Clara Iglesias-Rondina) (illustrator). 280 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Fruits Flowers. A Coloring Book is an unusual coloring book conceived to be used by adults (in particular senior citizens) and children. Each of its thirteen illustrations represents a fruit or flower accompanied by its English name to be colored as well. In this way an association is built between the form depicted and its denomination. This could constitute a valuable exercise in the case of children and senior citizens. At the bottom of each illustrated page there is the English name and the Latin name of the fruit or flower portrayed. In addition, every illustration presents a rich web of lines and diverse shapes that stimulates creativity and invites to a relaxing practice of coloring the book. This publication offers a high-quality edition, which counts with glossy semi-hard covers, 13 illustrations, and the format 8.5 x 11 inches that aims at enjoying a better experience.
