

## A Black and White Case: How Affirmative Action Survived its Greatest Legal Challenge

By Greg Stohr

BLOOMBERG PRESS, United States, 2006. Book. Book Condition: New. 226 x 142 mm. Language: English . Brand New Book. In the late 1990s, two lawsuits by white applicants who had been rejected by the University of Michigan began working their way through the federal court system, aimed at the abolition of racial preferences in college admissions. The stakes were high, the constitutional questions profound, the politics and emotions explosive. It was soon evident that the matter was headed for the highest court in the land, but there all clarity ended. To the plaintiffs and the feisty public-interest law firm that backed them, the suits were a long overdue assault on reverse discrimination. The Constitution, strictly construed, was color-blind. Discrimination under any guise was not only illegal, it was the wrong way to set history right in a nation that had been troubled and divided by the uses and misuses of race for more than two hundred years. To the University of Michigan, and to other top institutions striving to expand opportunity and create diverse, representative student bodies, it looked as if most of what had been put in place since the 1978 Bakke v. University of California decision was about...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
