Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Excerpt: . . . 11 nassing the most significant shift in awareness and understanding of international development thats been seen since the end of World War II. The demise of the So-viet Union, the integration of global communications and markets, the growing men-ace of global terrorism, weapons of mass destruction and transnational crime, the surge of HIV AIDS and other infectious diseases - all these are hallmarks of an altered 21st century landscape for development. As we have revised the Agencys strategies and programs to strategically align U. S. foreign aid resources and accountability with the various and distinct objectives of foreign aid, we have also identified opportunities for microenterprise development and microfinance to contribute to each objective. These include support for especially disadvantaged populations that have experienced trafficking, natural disasters, HIV AIDS, and conflict. Our efforts in these areas are further discussed below, in the section on Expanding the Reach of Microenterprise Development. Globalization is one critical factor shaping the opportunities for growth and pov-erty reduction in developing countries. Driven by international trade, spurred by lib-eralization and aided by technology, globalization has propelled competitiveness on a world scale. Whereas historically, firms have tended to compete against other firms in the same country, with globalization, industries in one country are com-peting against the same industry in another country. As a result, firm-level competi-tiveness is no longer sufficient, if the firm is situated in an industry or value chain that is weak. Consequently, donors...
