Createspace, United States, 2010. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Idioglossia refers to an idiosyncratic language, one invented and spoken by only one or a very few people. Sundari Prasad s Idioglossia combines her work Pure: Memoirs of Sex, Abuse and Addiction and The Lilitu: The Best of Sundari Prasad into one volume. PURE: Memoirs of Sex, Abuse and Addiction takes a look at the topics of Sex, Physical and Mental Abuse, and various addictions and puts them in a reality style format- leaving it up to the reader whether to determine if they are reality or works of glorious fiction. THE LILITU: A dark dance in a lush garden of prose overshadowed by luminous specters clothed in the guise of short stories and poetry, The Lilitu are more than the children of the Hebrew Goddess Lilith-an outcast of Eden. Author Sundari Prasad s prose not only resonates, but it lives and breathes in these pages. Much like demons that tell their tales, these words want to be read. Torrid fantasies and nightmares come to life with full force, from a vampire s memories of times long gone, to a woman s romanticism of her harsh abuse at the hands of her husband. The Lilitu is a collection of deep, haunting, and wanton spirits of writing that will not be easily forgotten.
