Funny, factual, and over the edge, Psoriasis-A Love Story, tells the true story of Jennifer Martin s 30-year battle with psoriasis. A self-described guinea pig experimenting with these disciplines and treatments Jennifer addressed all the possible causes of psoriasis by looking at all of our human components: physical, mental, emotional, psychological, and spiritual. Her personal transcendence and ultimate victory over psoriasis will not only enlighten readers about how to begin their own search for a cure, but will uplift and inspire them along the way. Endorsed by Jack Canfield, Joe Cross, and other notable authors, Psoriasis-A Love Story serves as a life manual, not only for millions of psoriasis sufferers throughout the world, but for anyone looking for a way to go beneath the layers to soul healing as well.
