COYOTE WINDS

Ten Gallon Press, United States, 2013. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.This historical novel captures the times leading up to the Dust Bowl, a time of optimism and confidence, a time when a man was measured by what he produced, not what he could buy. It explores that American can-do spirit that drew people to the last frontier and the consequences of that spirit, both good and bad. And it asks whether that spirit has survived the Dust Bowl, the Great Depression, and the years since. Coyote Winds tells the story of the times before The Grapes of Wrath and offers a new perspective on American history in the 20th Century. Summary: When thirteen-year old Myles brings home a coyote pup half-blinded by a dust storm, his father warns him a coyote can t be trusted. His neighbor loads his rifle and takes aim. Yet Myles is determined to tame the pup just as his father is taming the land. The time is 1930. Tractors and fertilizers are transforming the southern prairie into the world s breadbasket. The American dream is within every man s reach. But when drought turns these dreams into paint-stripping, crop-killing dust, Myles wonders if they have made a mistake by trying to tame the untamable. Seventy year later, when Andy remembers his Grandpa Myles s tales about growing up on the prairie, he wonders what stories he will tell when he has grandchildren. Algebra, soccer practice, computer games, a day at the mall? Determined to keep his grandfather s memories alive and have some adventures of his own, Andy heads out to discover what s left of the wild prairie. First Place for Young Adult Historical Fiction, Purple Dragonfly Book Awards 2013...
