## H2O MYSTERIES

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Drip.Drip.Drip. From the trickle at the early morning bathroom faucet to the innocent flow of a river under the bridges we travel across; from the sparkling mountain streams that form a pristine lake, to the rolling waves of a vast ocean, life-sustaining water is an ordinary part of our daily lives. Dare to look closer. Danger and darkness may lurk in the ordinary. H2O Mysteries is a collection of 17 short stories with one common theme - disappearance by water. Some of the stories are true to life, others have paranormal affects. In Freedom, Earl rules Megan and their children with his iron fists. Granny Ellen has come to the end of her rope with Earl. Using backwoods black magic she takes matters into her own hands. No Brainer is the story of Blade, who is fed up with the women in his life: his wife, mother, daughter, boss - even his girlfriend - are driving him crazy and stifling his good times. Enter a female GPS named Zeltron. In All-American Boys, Kelsey and Mika visit Kingston with the perfect escorts, three boys who work on their cruise ship. What the girls don t know is how the boys are earning extra money.
